

JOAN VELON

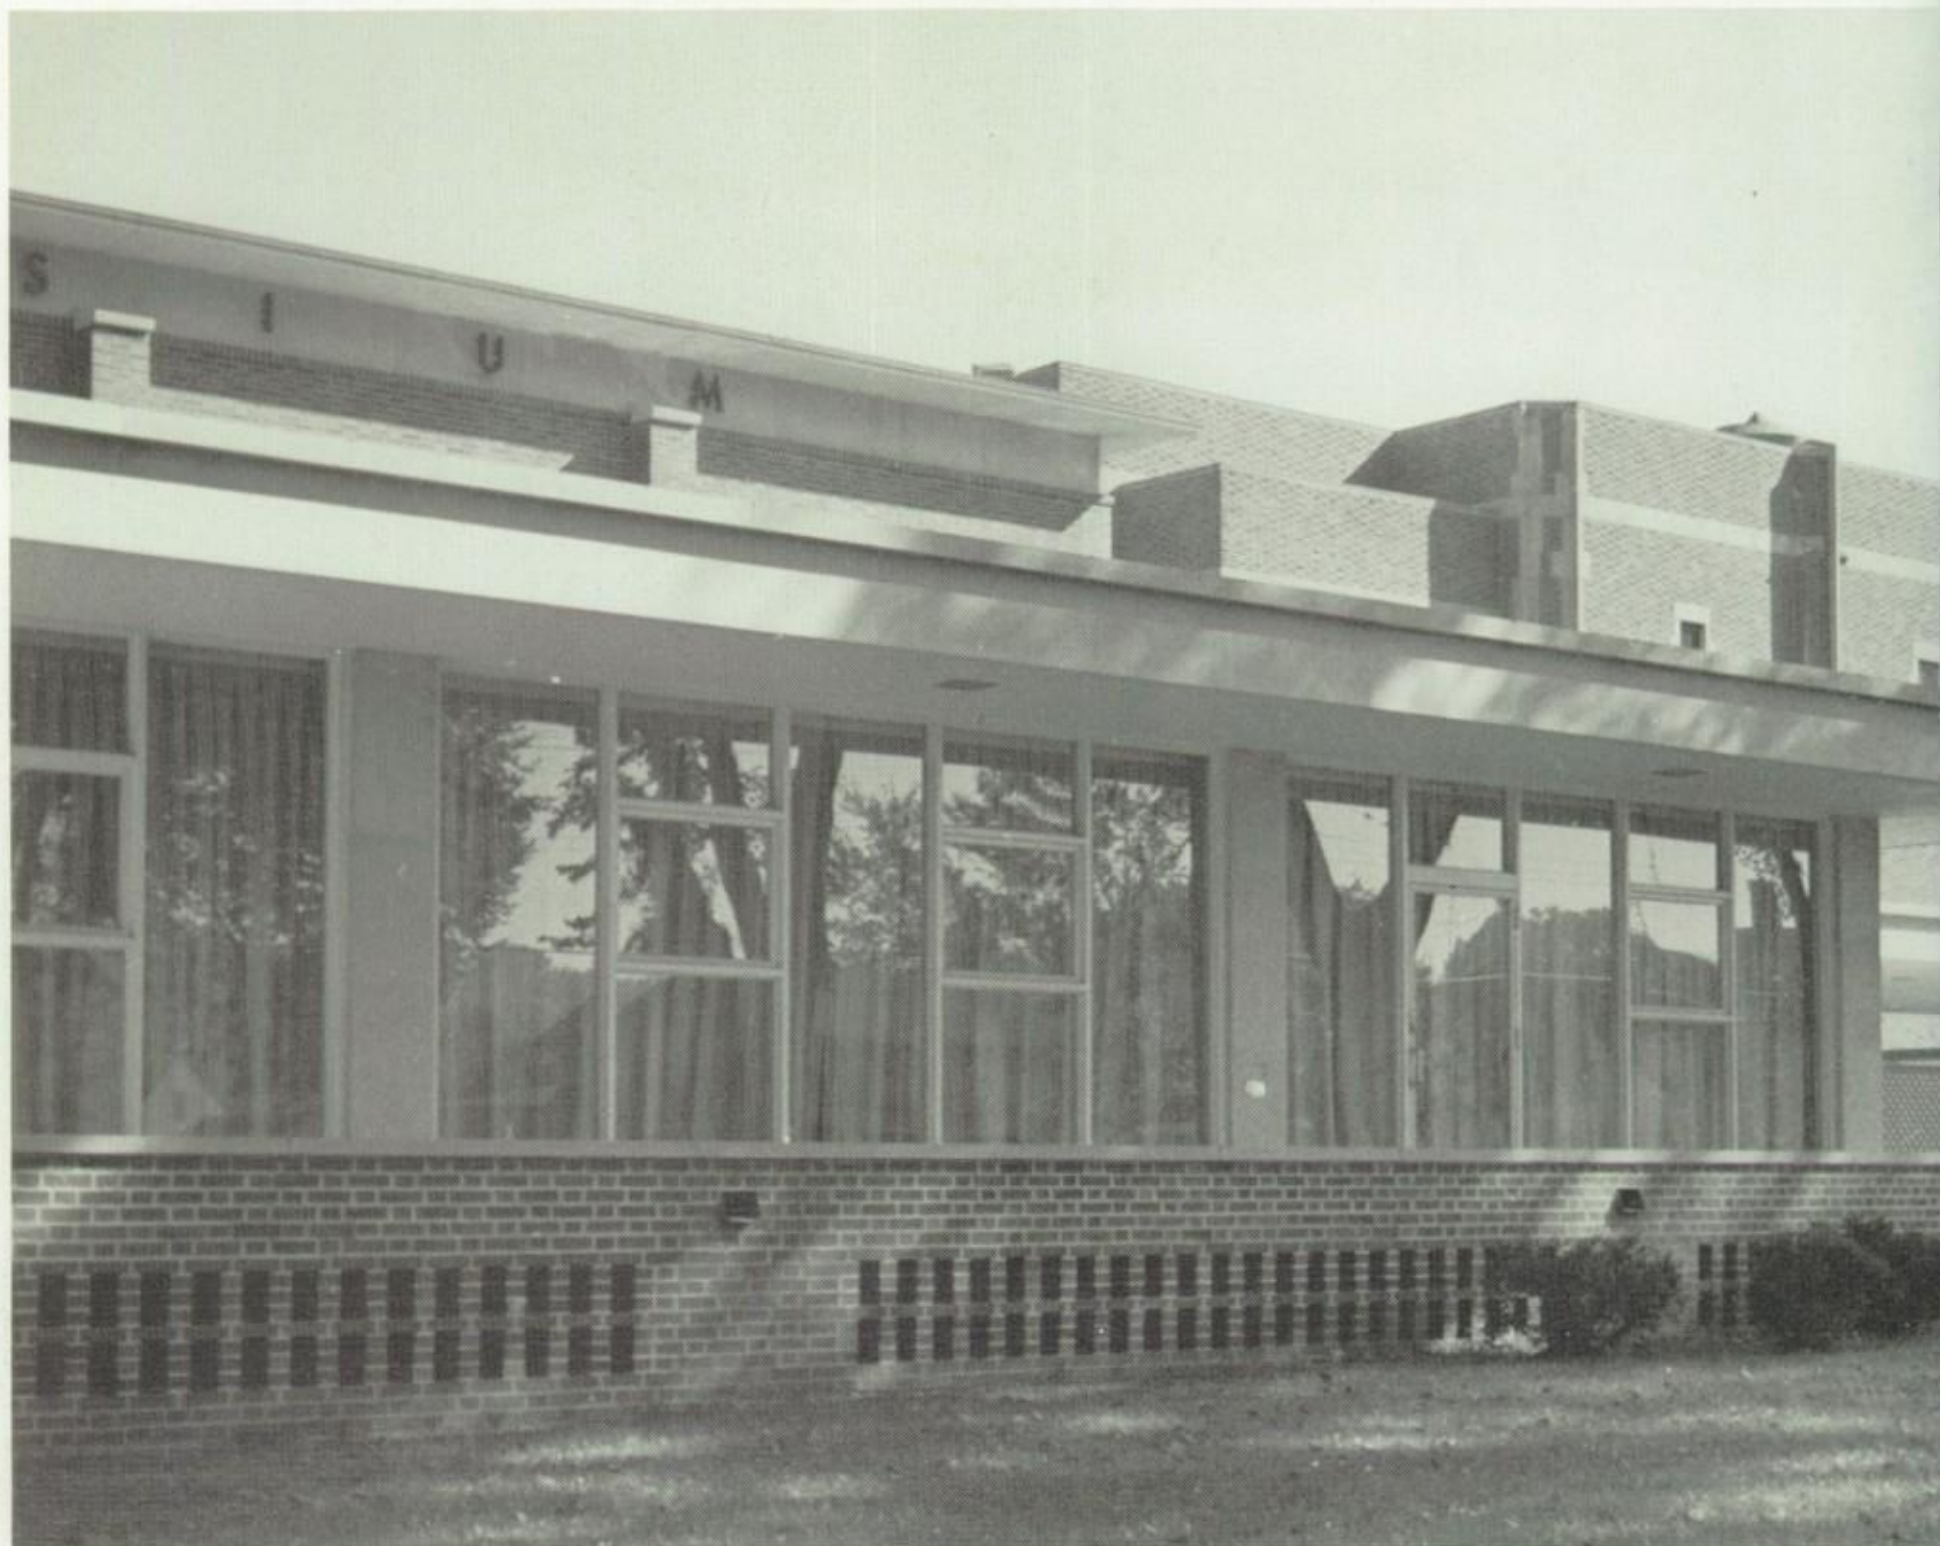

Out Of The Past . . . Into The Future

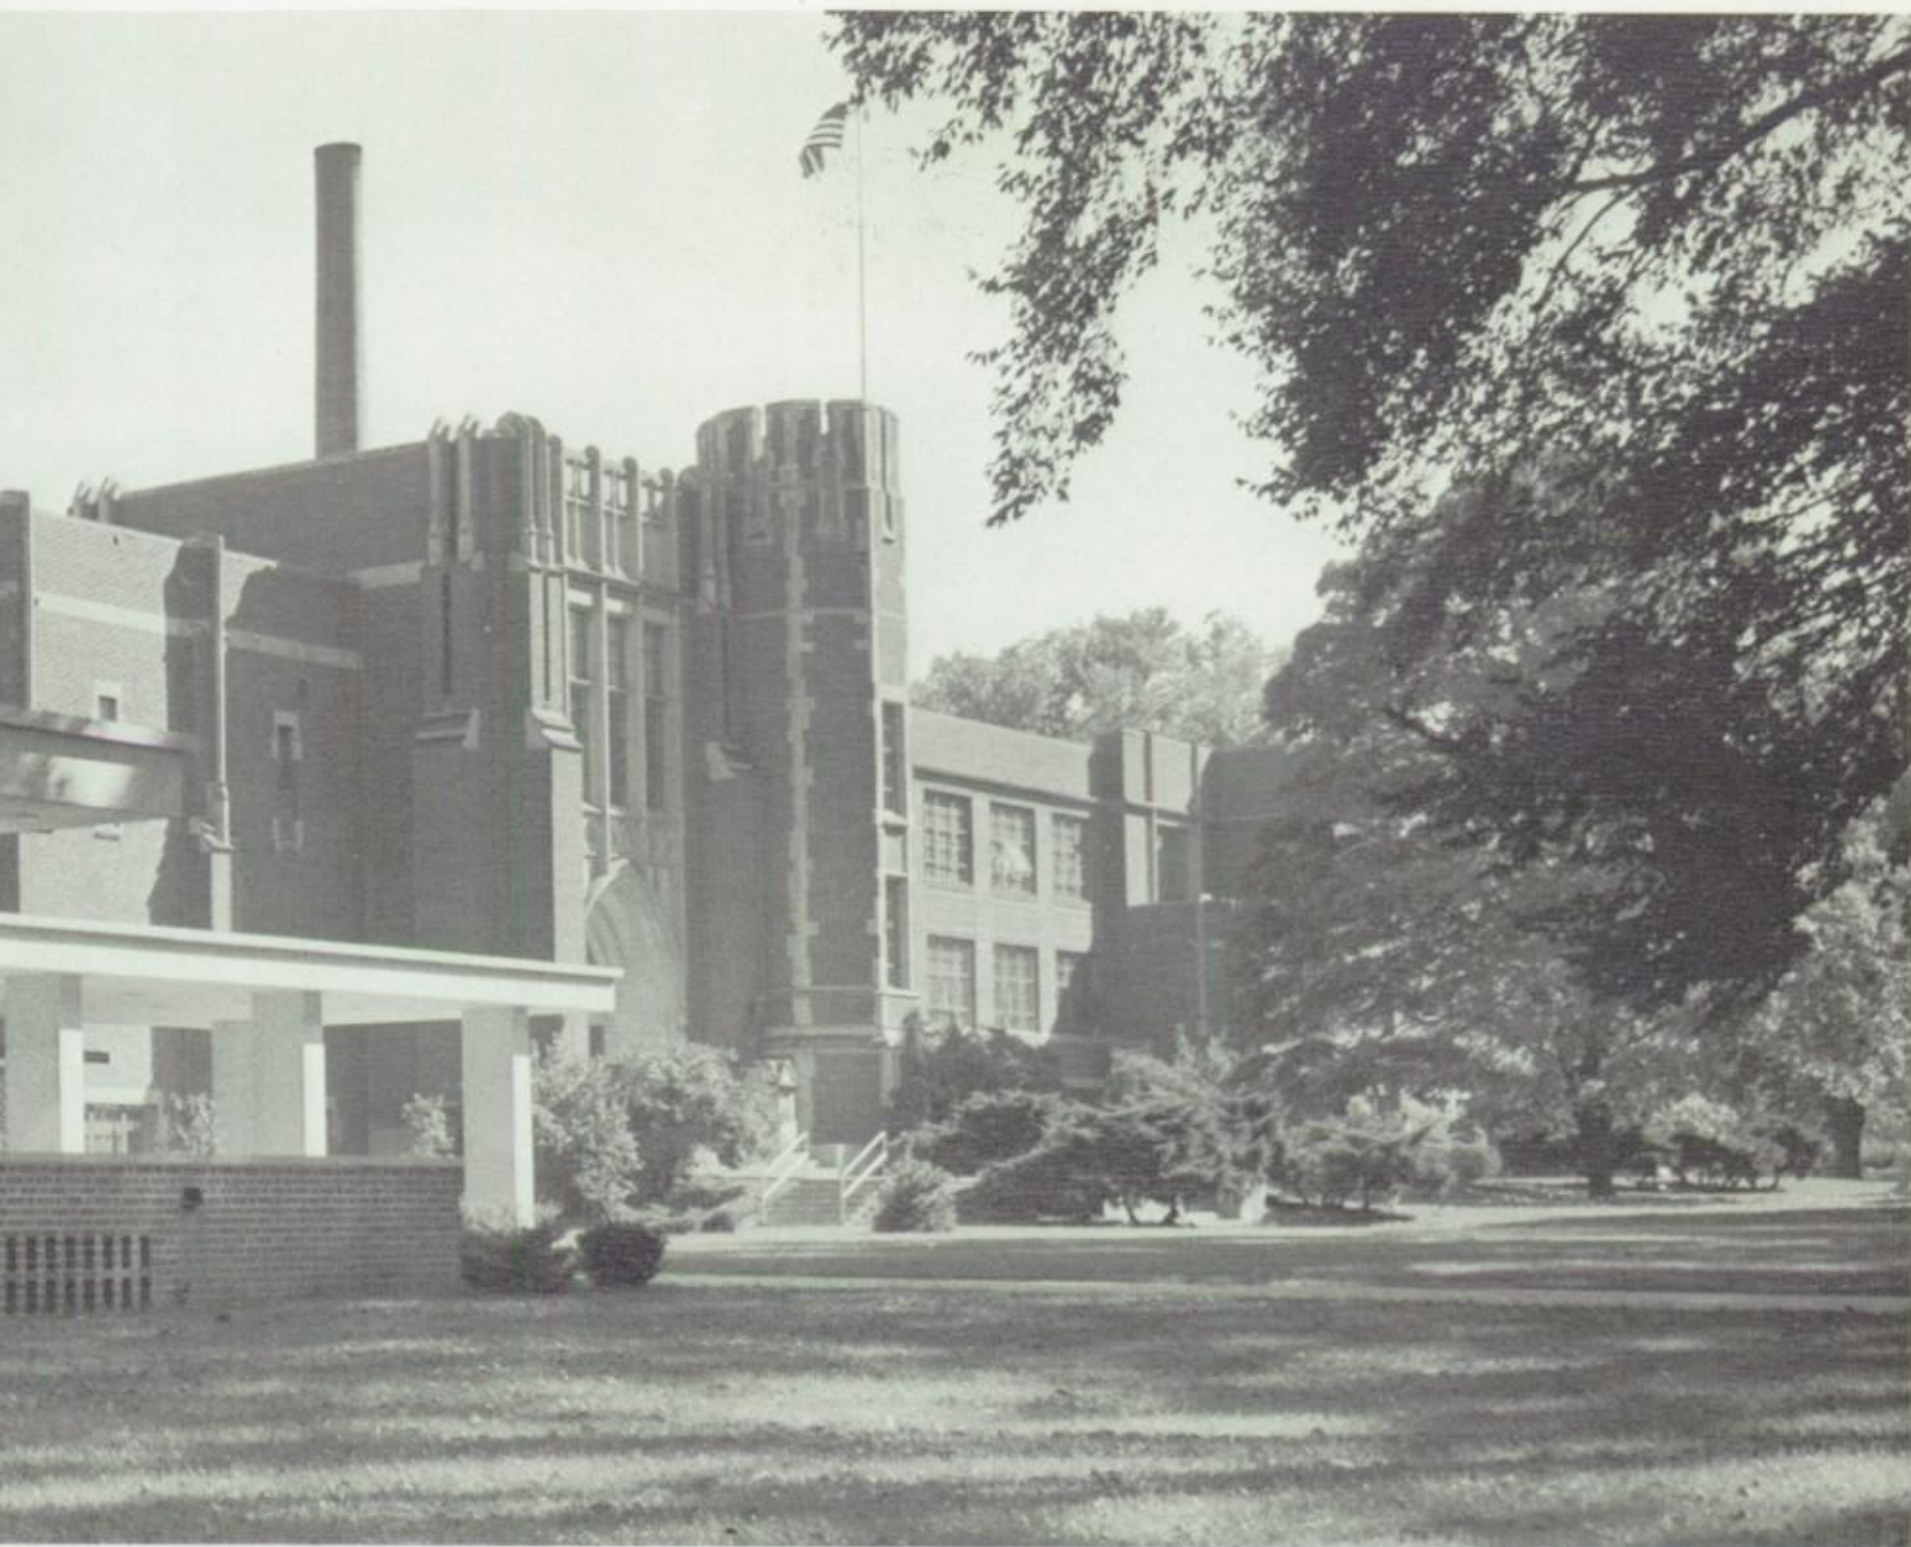

As man looks into the ball of fire
To seek the earth's mysterious wonders,
Man learns — out of the past
And foresees — into the future.

As man becomes withered and gray
And knows the importance of each day,
He looks more often to the ball of fire
To recall the past and dream of the future.

May all mankind take the time each day
To summon the unknown powers of the world;
So that, out of the past, man may learn
The joys and sufferings of tomorrow.

A tribute to W.B.B.

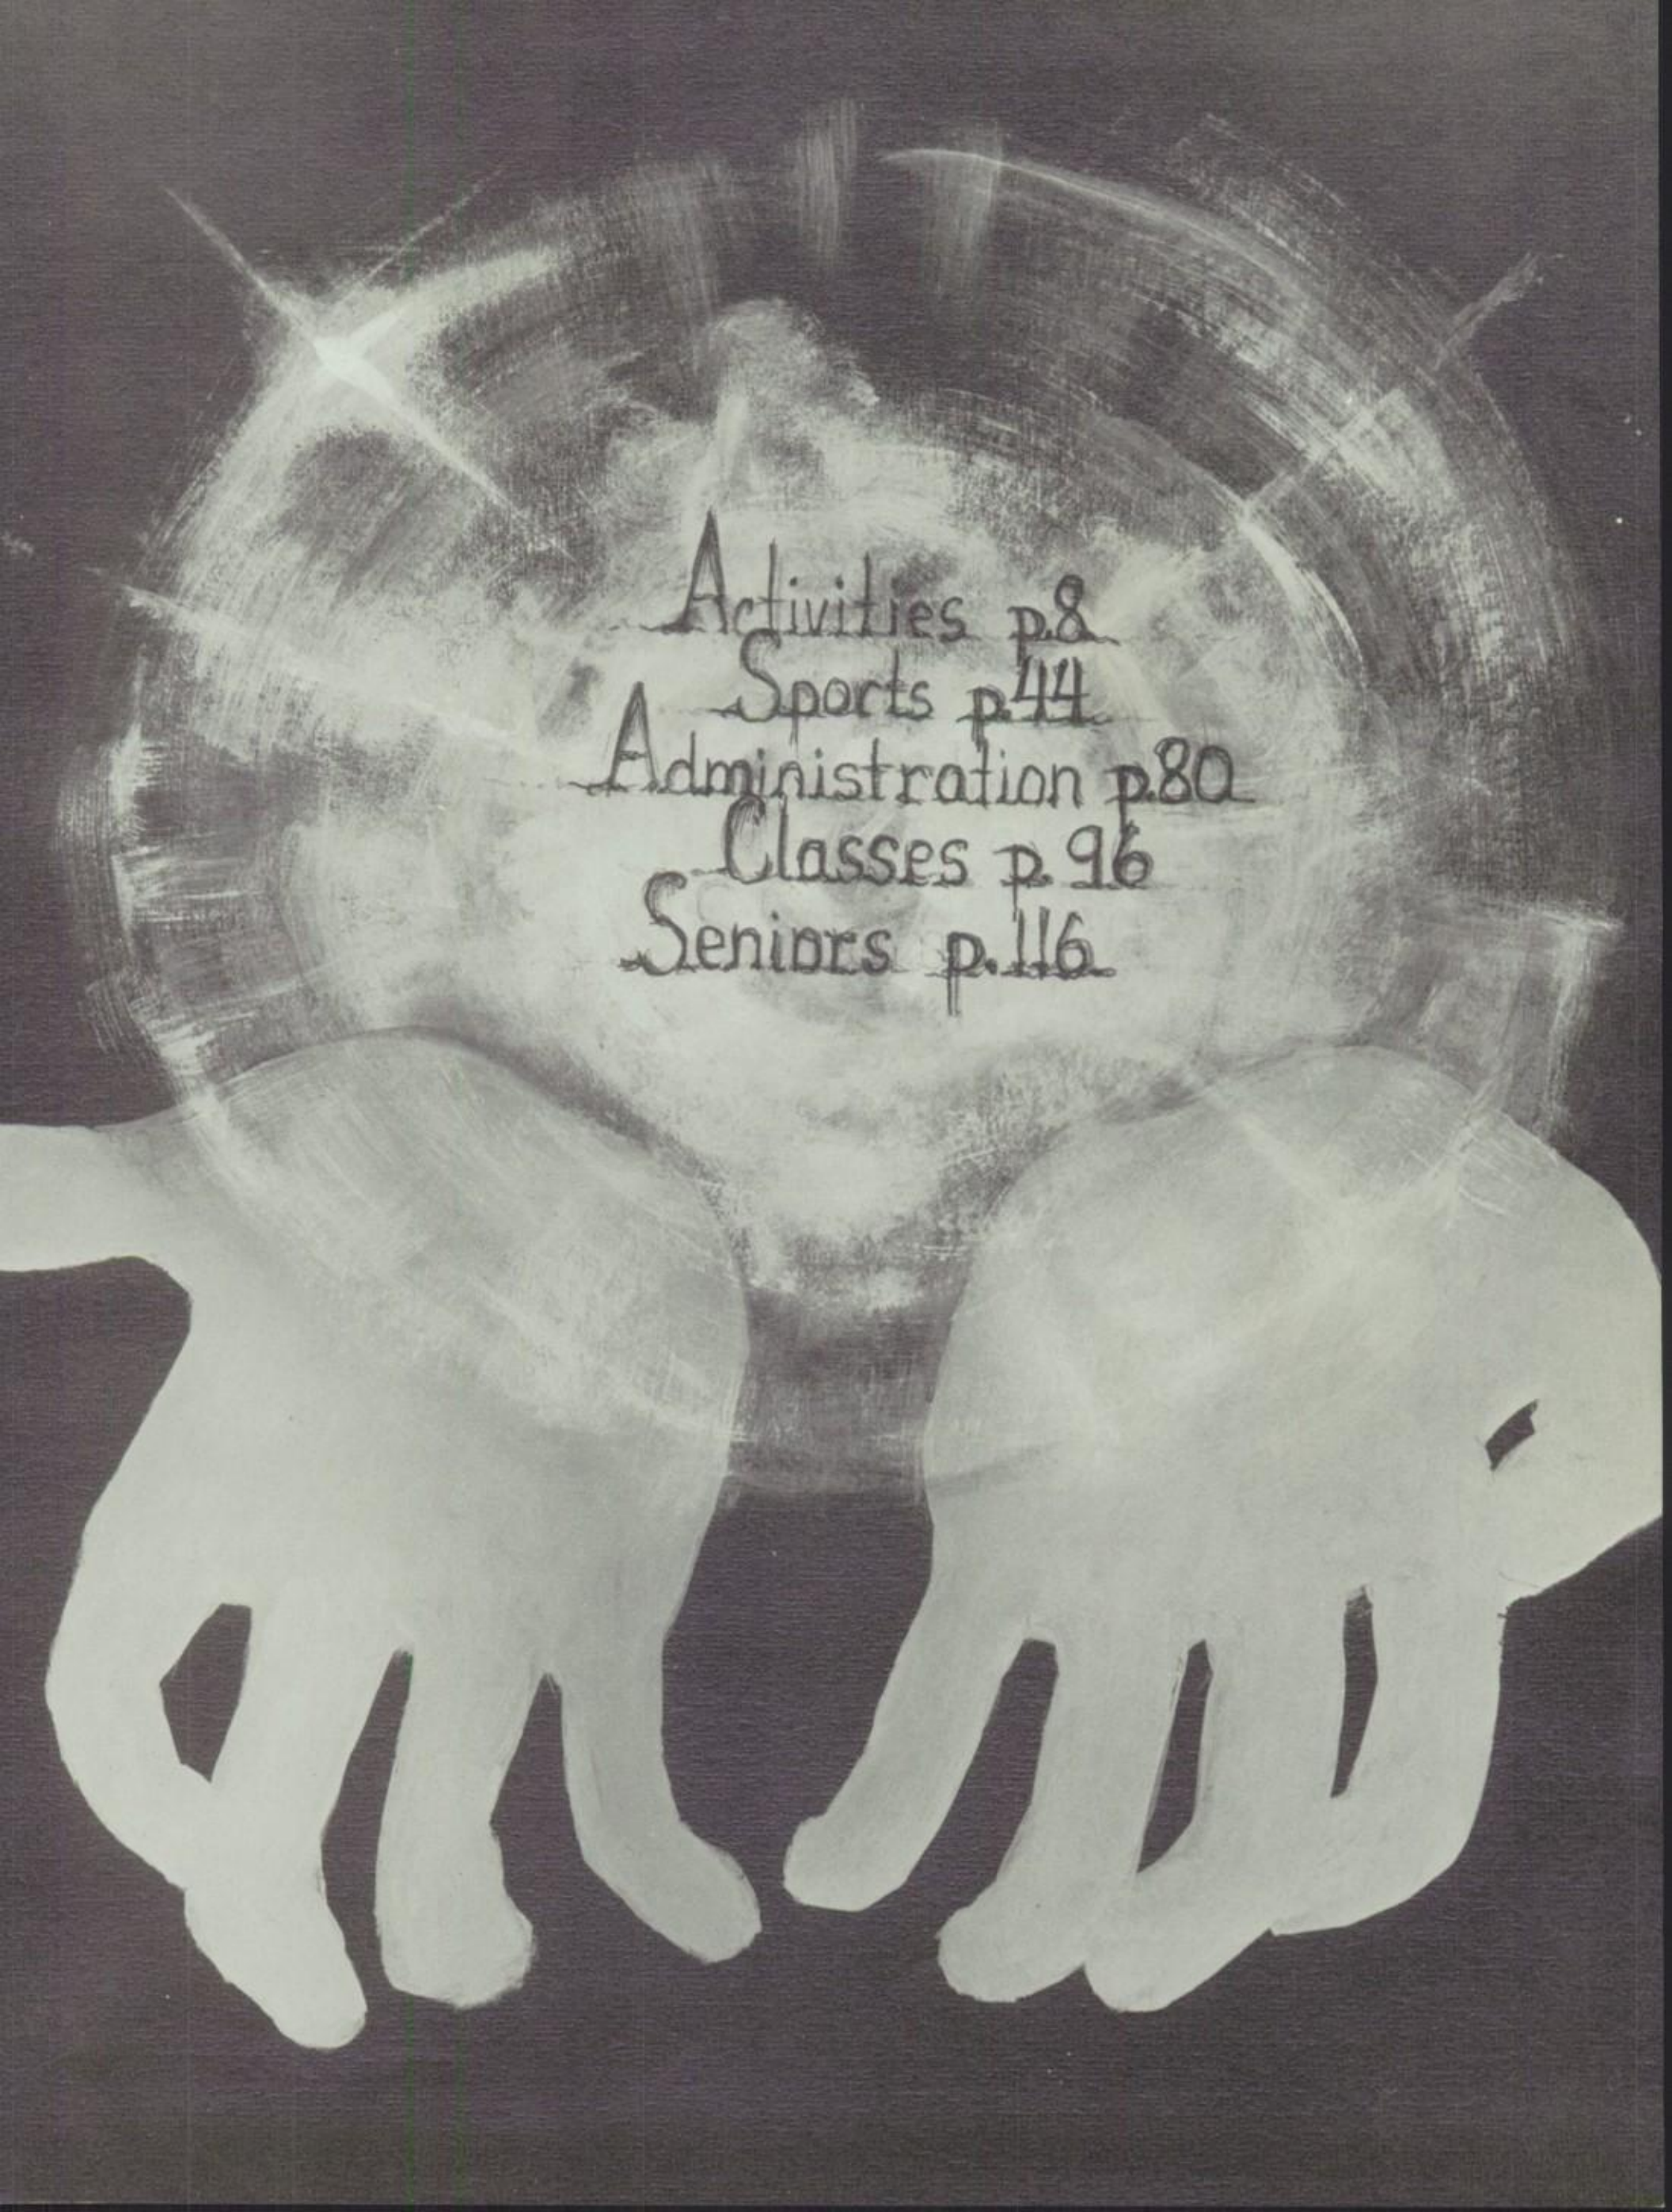

Mr. Bright is a teacher, who is respected by his students whether they are freshmen or seniors. He is also respected by his colleagues for his initiative during school and in his free time. Over the years he has devoted many hours as head of the teacher's decorations for homecoming. Recent displays have included the six foot tigers and a Tiger choo-choo train.

Although his room has never received the Good Housekeeping Seal of Approval, if there was one award for devotion to his teaching, he surely would have won it. Not only does he teach but he also makes his classes enjoyable through imitations of Einstein and General MacArthur.

Perhaps the best description of Mr. Bright was said by a student: "He's kind of old-fashioned and talks like Jimmy Stewart ... He's very smart."

Homecoming '72

The Homecoming festival was one special week in which outstanding school spirit prevailed. Students throughout the school donated their time and energy to make floats, decorate halls and prepare for victory. Queen Margene Becker and her court were presented Thursday night at coronation and reigned over the game and dance. The only disappointment of the week came with the loss of the football game to Rochelle. By Saturday night all was forgotten about the game and everyone had a great time at the dance. All this added up to make one great Homecoming festival '72.

Student Council '73

James Russell Lowell once wrote, "New occasions teach new duties." Perhaps this best epitomizes the Student Council of 1973. We redefined the role of the Council to meet the increasing need for student representation. We sought to make the Council a viable organization voicing youths' opinion and jealously guarding student rights.

We cannot claim total success but we have begun. The foundations have now been laid for advancement in areas which were never considered within the realm of our student government. Future councils must take the initiative to move forward and secure greater scope.

NEWS RELEASE

It was disclosed today that the success of Tiger Tales was due to the dedicated work of a competent staff, discriminating editors, and a good advisor.

Determined to make this year's paper a representation of the feelings of PHS students, the editors and staff put in many long hours of on-the-spot reporting whenever and wherever the news happened.

But the job did not stop there! Now the editorial board went into action (drawing on the blackboard, roaming the halls, and passing on the latest gossip).

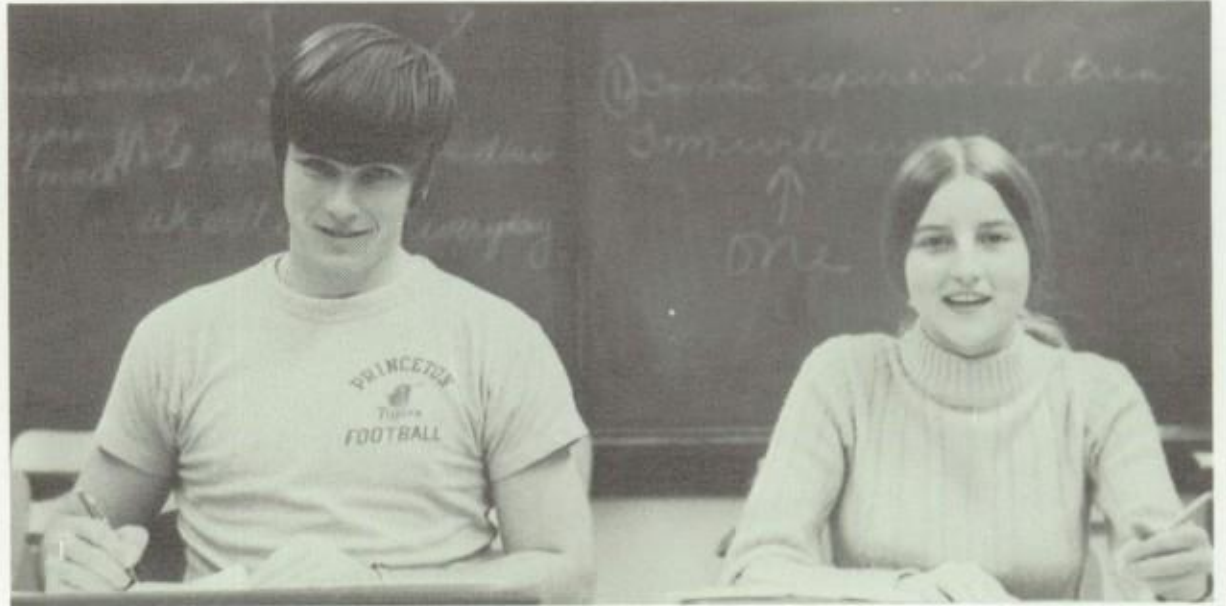

Somehow they managed to edit the stories into a precise, readable form, which were then typed. Working late hours and often going without supper, the typists spent their time passing around the correcting fluid and typing an occasional word.

When asked about the success of the Tiger Tales this year, Jodi Bolbock, an assistant editor, was quoted as saying, "It was kind of fun but it's nothing I want to go into."

A.F.S. benefits school

This year PHS received Fabio Vincenzi from Costa Rica who was a welcome sight to all the available girls. The events surrounding Fabio this year started off with a fall picnic that included a soccer game of which he was the star. Button sales increased because of his good-looking face on them. There was an AFS weekend with neighboring schools participating that acquainted many AFS and PHS students. The visiting students included young people from Turkey and Siam and their adopted brothers or sisters. For raising funds AFS members also sold pizzas and provided the student-faculty game for our entertainment. The year finally ended with the traditional AFS ice cream social which was a highlight to the close of the 72-73 school year.

This year's Princeton Tigers were marked with many spine-tingling games. The 2-6-1 season record was not indicative of the outstanding play of the ball club.

In the opening game the Tigers came back from a 26-0 deficit at halftime to tie IVC 26-26. After defeating Kewanee the next week, the Tigers were handed six consecutive losses. In the final game of the season, the Tigers exploded to beat Morrison 52-22.

Jim Douglass was named the Most Valuable Offensive player with over 900 yards rushing. Dick Lenihan was voted the Most Valuable Defensive player. All-Conference selections were Douglass at half-back and Larry Bartman at center. Special Mention All-Conference selections were Chuck McDonald and Tom Miller. Honorable Mention selections were John Nelson, Jim Squires, Alan Coville, Dick Lenihan, Mark DeVore, Cliff Swanson, and Mike Miller.

As a fine junior squad is returning, with the help of a good sophomore team, and an excellent freshman team, Princeton Tigers football should once again be on the rise.

The Cross Country team was composed of a squad of 22 runners.

The season began with the first defeat on our home course in 16 straight wins against a tough IVC team. The teams moral was lifted with six straight wins, including a stupendous victory over that arch rival, Ottawa. After stomping Geneseo, the team challenged them to a football game with Rub's tennis ball; however, they declined on the grounds that we had the best touch football team this side of the Mississippi.

Three of our many outstanding runners were Dave Darling, Lee Hinderliter, and Bob Storm. Darling broke the old standing record on our home course midway in the season. Hinderliter received the outstanding CC runner award. The letter winners include: seniors; Lee Hinderliter, Paul Maller, Greg Stocking, Phil Wolf, juniors; Kevin Schmidt, Bob Storm, and the sophomores; Tom Arch, Dave Darling, and Alvin Taylor, who will provide an excellent backbone for future years.

Varsity wrap-up

To an outsider the 1972-1973 Princeton Tigers were not a successful team because an 8 and 16 record does leave something to be desired. But to the people directly connected to the Tigers, this past season was one to be remembered and admired. Facing one of the most rugged schedules in the entire state, this team came through with their heads high. "I've had teams with better talent, none with better character," were the words of Coach Don Holler on his 72-73 Tigers.

Outstanding team members included Paul Maller, a 6'7" senior center, who was a first team all NCIC selection and was named Special Mention All-State by the Chicago Daily News. Senior guard Chuck McDonald, the team's leading scorer was Special Mention all NCIC and was one of the area's best from the outside. Senior Paul Skiem also received mention for all NCIC and was the second leading rebounder and a two year varsity regular. Carl Norlin, although not an all NCIC selection was the most courageous and hustling ball player on the 72-73 Tigers.

Dave Lasier, the team's only Junior regular was a tremendous team player and a good outside shooter for a big-man. Cliff Swanson, Brad Taylor and Rick Everding and Tom Diller also contributed their invaluable team play and will be big assets to next year's team. Other team members were Scott Slagel, a Junior with lots of muscle on the boards, Steve Johnson, a senior and one of the quickest members of the Tigers, and Jim Squires, a senior with a very aggressive style of play.

The 1972-73 Princeton Tigers were very much a success because they discovered the blood, the sweat and the dedication it takes to forge a man.

With the addition of new Sophomore coach Steve Todd to the staff of Coach Fred Johnson and Coach Lee Wahlgren, the P.H.S. wrestling squad was able to compete with a full team on three levels, Freshman, Sophomore, and Varsity.

The future Tigers showed a lot of promise with the Freshmen establishing a 6-4 dual meet record. The Kittens did equally as well finishing with a 10-5 dual mark.

The Tigers opened the season in great fashion with two convincing wins to one of the largest crowds to ever witness a dual meet at P.H.S. The Tiger grapplers were led by Senior co-captain Dick Lenihan who racked up a 26-4-1 record including impressive first place finishes in the NCIC and District meets, plus a couple of thirds in the Princeton Invitational and the Sectional meet. Dick's season ended in an overtime match at Sectional to the eventual third place finisher at State.

The other co-captain, Senior Bob Ouellette, also proved to be a consistent winner in his third year as a Varsity regular, taking second at the Princeton Invitational, third at District, (losing in the finals to the defending State champion), and compiling a fine 17-8 record.

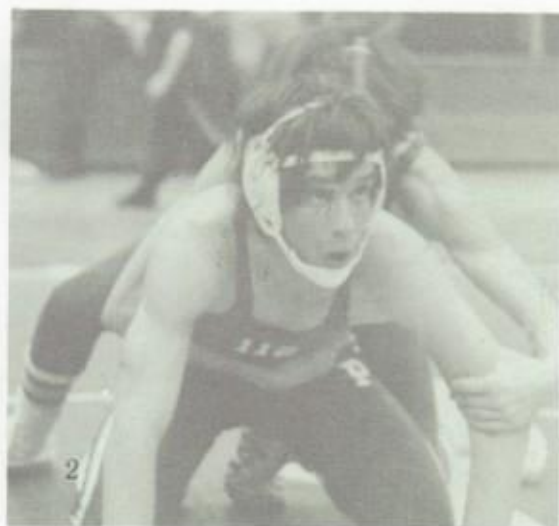

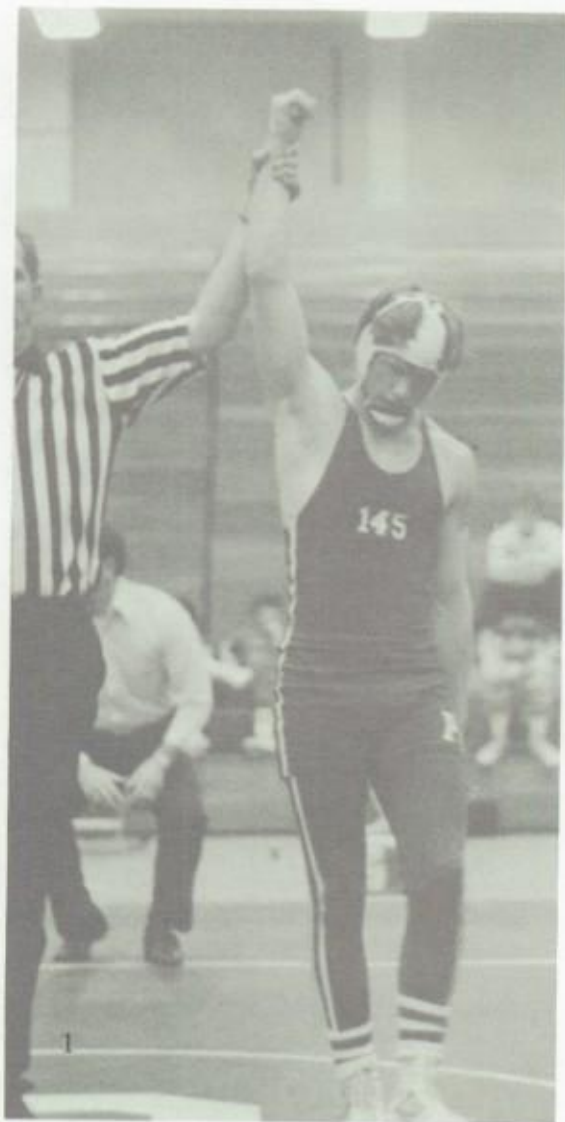

The Tigers were a young team with only four Seniors, Lenihan, Oullette, Steve Mair, and Mike Fuson, and got much support from Juniors Tom Scanland — 1st Princeton Invitational, Leonard Catton — 2nd Princeton Invitational and 2nd NCIC, and Mike Miller — 5th Princeton Invitational, 4th NCIC, and 4th District.

The PHS tennis team had their most successful season in its brief three year season history in 1973, battling to a 5-6 record. Youth and inexperience characterized this year's team with five of the six starting varsity netters being underclassmen.

The one senior on the team was the number one man, Phil Wolf. He was supported by Mike Wathen, Dennis Rockhill, Tim Pretsch, Scott Slagel, and Gene Ridge. Junior Gary Stenzel and Senior Phil Johnson each saw limited action on the varsity level.

The J-V's and Frosh-Soph each met with success this season, the former having a 2-1 record and the latter a 1-0 record. The season was highlighted when the double's combination of McKransky-Ringenberg and Slagel-Olmstead advanced in the conference tournament giving the Frosh-Soph 3rd place.

The 1973 Varsity Linksmen ended match competition this year with a 9-3-1 record, their 3 losses mainly due to inclement weather. All 5 varsity letterwinners had 44 or below averages, this year's low man Kevin Vail, with a 42-41 average. Other varsity members include Tom Kelly, Jim Flitz, Lee Pallardy, and Kevin Ellis.

Tom Zimmerman & Jim Isaacson led the J-V's to a respectable 8-6 mark. The J-V's otherwise consisting of Sophomores and Freshmen, plus "Lar" DeBord.

The track team had a very fine season considering the big invitational, but did not fair too well in duals and triangulars. Princeton beat St. Bede, Depue, Walnut, and LaSalle, while losing to Ottawa, Mendota, Rock Falls, Geneseo, and Dixon.

The big meet was when Princeton finished well team-wise at Macomb. The mile relay team of Hinderliter, Highfield, Greg and Dennis Stocking came home with a first place Trophy. In the Davenport Relays, Princeton finished second, but set a school record in the 440 relay with Echoff, Coville, G. Stocking, and Highfield. At the Normal Relays we finished first over all and reset the 440 relay record. The Frosh-Soph finished first at the Ottawa Frosh Inv. and third at the LaSalle-Peru Frosh Invitational.

Varsity finished second in the Princeton Inv. and Morton Relays. At Sterling the Varsity 880 relay of Dennis and Greg Stocking, Coville, and Highfield broke the school record. We finished fourth at District.

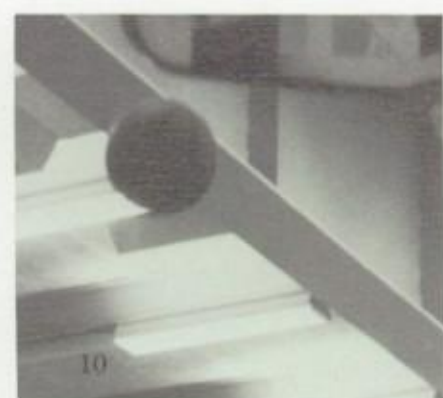

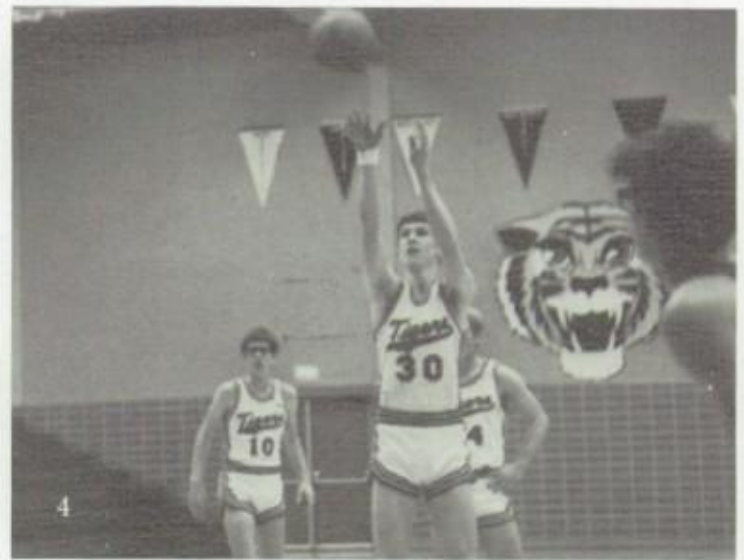

State qualifiers were Dave Darling, Greg Stocking, J. T. Highfield, Dennis Stocking, Paul Maller, Jim Squires. At the end of the season Greg Stocking was chosen by his teammates as the Most Valuable Runner.

“Our high school days are over”

Though it seems impossible, our high school days are over. Slow as each day may have seemed, the past four years have come and gone quickly, too quickly. They have been very important years. During this time we have developed our minds to form our own opinions and conclusions, and in doing so have become mature young men and women. Naturally all of this would not have been possible were it not for the faculty and their patience, our class advisors, and their guidance, and last but above all, each other as we tried to understand each other and become friends.

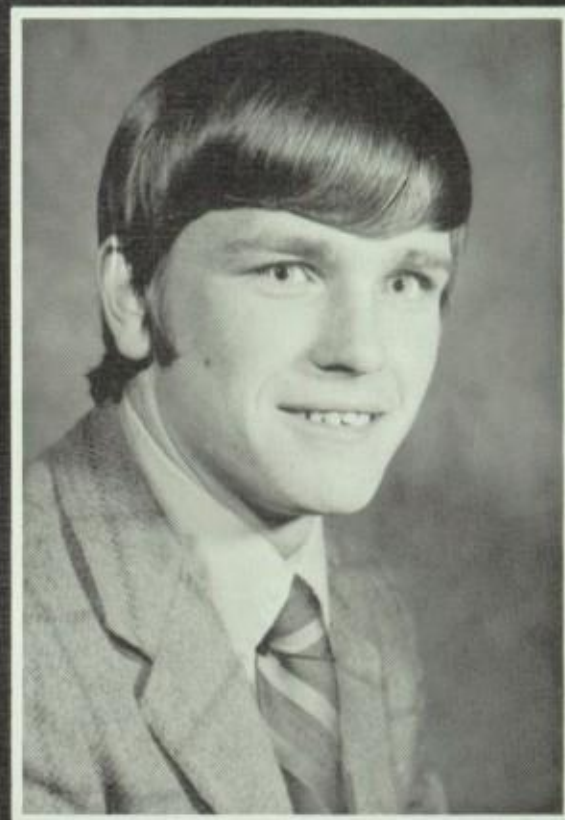

In closing I would like to ask that as you look at the following pages, you not view each picture merely as a somebody and then try to judge the person. Rather, I sincerely ask that as you look at each picture, you think of it as a human being like yourself. Please do not form conclusions about the individual. Look at each person with respect for what they are, not for what you think they should be.

I would like to thank everyone for the past, and I want to wish everyone luck and happiness in the future.

"Strange is our situation upon earth. Each of us comes for a short visit, not knowing why, yet sometimes seeming to divine a purpose. From the standpoint of daily life, however, there is one thing we know: that man is here for the sake of other men. Many times a day, I realize how much my own outer and inner life is built upon the labors of my fellow man, both living and dead, and how earnestly I must exert myself in order to give in return as much as I have received."

(Albert Einstein)

Now that the 1973 Tiger is finished (and a satisfactory job at that!), we feel it is time to give recognition to those who gave so generously of their time, . . . Margaret, Mary, H. J., Susan, Nancy, Cindy, Janice, J.P., Lonna, Mr. Nickelsen, Mr. Gardner, and the notorious leader of the pack, Miss E.

We thank you.
